

TOWN OF MORGAN VERMONT

CIVIL ORDINANCE

VARIABLE RATE PRICING BY VOLUME

FOR MUNICIPAL SOLID WASTE COLLECTION

WHEREAS, the Town of Morgan, Vt. has, by virtue of the authority granted in 24 V.S.A. & 1971 (Title 24, Chapter 59, Section 1971), and 24 V.S.A. & 2202a (a) (Title 24, Chapter 61, Subchapter 8, Section 2202a) the power to adopt, amend, repeal, and enforce ordinances, and to manage and regulate solid waste disposal within its boundaries; and

WHEREAS, in accordance with 24 V.S.A. & 2202a (d) of Act 148, Vermont's Universal Recycling law, which requires municipalities implement a variable rate pricing system by no later than July 1, 2015; the Town of Morgan is implementing and requiring variable rate pricing charges for municipal solid waste (hereinafter "MSW") collection from residential customers based on the volume of the waste collected. This requirement applies to all solid waste haulers and facilities that accept and collect MSW from residential customers.

WHEREAS, Variable rate pricing systems have been shown to be one of the most effective mechanisms for decreasing the disposal of solid waste, increasing recycling and composting rates, and increasing the diversion and reuse of valuable materials from the solid waste stream. Further Variable rate pricing is more equitable or fair pricing for solid waste by charging based on the number of units of solid waste a residential customer produces.

NOW, THEREFORE, to encourage the responsible use of resources and protection of the environment, the Selectboard of the Town of Morgan hereby adopts this ordinance requiring Variable rate pricing charges for collection of MSW from residential customers in the Town of Morgan, Vermont.
