

Seymour Lake Association Board Minutes February 16, 2020

By Telephone

Attending: Nichols, L Buzzell, Shippee, McKenny, T Buzzell, Selby, Adams, McWain, Bilowus, Barter

Discussion ensued regarding the David Wiesel Mann Project

Chuck filled board in as to all the activity that has taken place by especially, Erik Lessing. Concerns have arisen due to the pandemic that it might be hard to proceed. The vendor most likely to be chosen to build the kayak device, Dock Doctors, has closed because of the pandemic and it is uncertain when they might be able to reopen. Fund raising is surely to be affected also.

Moved by Selby and seconded by McWain to stop the project for now and to return all funds raised to date. Approved unanimously.

Meeting was then adjourned.
